

IN THE SPECIFICATION:

Please revise the specification as follows:

In the Brief Description of the Drawings at page 11, after line 34, insert a new paragraph:

FIGS. 4D-4E are perspective views of an alternative embodiment of a probe handle attached to a probe.

Please amend page 12, line 3 as follows:

FIGS. 8A and 8B are side view of alternative displacement rods while FIG. 8C is a perspective view of the displacement rod of FIG. 8B in a cannula. ~~FIG. 8 is a view of a cleaning, or flushing, bar.~~
